## Rocky Mountain Mannatech Association Intentions

RMMA is a professional organization of independent business owners and Mannatech™ product consumers. Choosing to join the Rocky Mountain Mannatech Association is an opportunity to communicate effectively throughout the region. RMMA membership is composed of many upline sponsors, downlines, crosslines, and 'orphans'\* who support of one another in a positive and cooperative way. Our emphasis is to promote Regional Events and to keep members aware of local and upcoming events. We exchange emails for business development and education. All Policies and Procedures of Mannatech™ are part of our standards. Professional courtesy and demeanor is expected in all correspondence and meetings. Discipline or elimination from the RMMA egroup for non-professional or non-business actions is solely at the discretion of the VOTING LEADERSHIP COUNCIL.

*\*'Orphans' refers to Associates without Active Upline Support*

## The E-group Site

With the increased emphasis on the internet, we have formed an e-group which has a calendar which can be accessed 24 hours a day and will be updated whenever a new event is submitted. Membership in the Rocky Mountain Mannatech Association includes membership in the e-group and allows you to post your trainings and meetings on the site calendar. To be listed on the calendar you need to be a member of the association.

## More

RMMA maintains a website [www.RMMA.org](http://www.RMMA.org) where flyers for meetings can be downloaded for printing from your own computer. Speaker Handouts & select files may be posted to the e-group site with speaker permission. Special mailings may be sent out periodically. All mailings will be handled through the association and *at no time will this mailing list be sold or given out to anyone.* As new opportunities and ideas develop we will continue to support area associates by adding new features and benefits.

*SUGGESTIONS AND VOLUNTEERS ARE ALWAYS APPRECIATED!*
